

Reiki Level II Certification & Chakra Flow Energy Medicine Training w/Dr. Alison J Kay

Sat/Sun June 20th & 21st

from 2-6pm both days

at Heaven & Earth Spiritual Center

1316 US Hwy 19 N. Palm Harbor, FL

Dr. Alison J Kay has created her own blend of transforming subtle energies with her exclusive new **Chakra Flow Energy Medicine**, using her 10 years spent in Asia studying subtle energies and her 20 years in the holistic health & wellness field. She has now formally begun teaching her **Chakra Flow Energy Medicine**; each level of training is coupled with a qualifying vibrational upgrade using pure form **Usui Reiki Levels I, II and Master**

Certification Program, accordingly. Dr. Kay is only 7 removed from the founder of Usui Reiki, Dr. Usui himself.

This training has come about at the urging of her students and clients who have personally experienced her instruction on the vast, seemingly mysterious realm of the invisible, intangible subtle energies - or chi, or consciousness - and claiming that they finally understand what they've been studying for years and/or decades.

Dr. Kay is fast becoming known as the "teacher of teachers & practitioners" in this field.

You won't find this kind of in depth training anywhere else and the way Alison incorporates her intimate knowledge of the chakras is what sets these as a cut above the rest. **This training will provide you with THE MOST advanced vibrational attunements and practical techniques** that translate into YOU having greater success in your practice and increasing your client's positive outcomes as well.

This training is for you if: (NOTE: Massage Therapist CEU credits available upon request)
